## ABOUT

Hii, I am Megha Goud, currently pursuing Bachelor of Computer Application. Throughout my academic journey, I have gained a solid foundation in various areas of computer applications, including programming languages (C, C++, Java), Web Development (HTML, CSS, JS), database management(MySQL). As a student, I am passionate about web design and created several web based projects that include LinkedIn UI Clone, Portfolio website and currently working on web-based project Student Management System using PHP and MYSQL.

## PROJECTS

- ### LinkedIn UI Clone

  **Programming language: HTML, CSS**
  **LinkedIn-Clone is a User Interface. It is clone of LinkedIn.**
  **GITHUB- https://lnkd.in/dUyTYhaw**

- ### Portfolio

  **I created a personal portfolio website using HTML, CSS and JavaScript The project involved designing and developing a website to showcase my skills, projects and experiences.**
